1900s

Style Since The Early 20th Century

In 1871, Jacques Doucet opened a Salon selling ladies evening gowns, made of lace, silk ribbons, flowers, feathers, braid, beadwork and embroidery. He used rare gros point de Venise lace for entire dresses. Between 1896 and 1912, the reputation of the House of Doucet attracted noteworthy young fashion designers such as Charles Frederick Worth (1825-1897), Paul Poiret (1897-1944), and Madeleine Vionnet (1876-1975).

- Jacques Doucet -
1853-1929

2000s

Style Since The Early 20th Century

“Style is wearing an evening dress to McDonald's, wearing heels to play football. It is personality, confidence and seduction .”

- John Galliano -
1960

2017
November

A collage of three photographs showing women walking on a city street. The woman on the left wears a black zip-up jacket over a white turtleneck and blue jeans with rips at the knees. The woman in the center wears a light blue denim jacket over a black turtleneck and blue jeans with a large tear at the knee. The woman on the right wears a dark green leather jacket over a black top.
